EDITORIAL

When this first edition of *Panini's Football Yearbook* was in the planning stages in the autumn of 1987, there was an air of genuine optimism about English football. The downward slide in attendance figures which had been a feature of our game for two decades seemed to have ended, the blight of hooliganism appeared to be fading, England had qualified in style for the final stages of the European Championship and there was a real hope that English clubs would be back in Europe next season.

By the time this editorial was written in July 1988, everything had changed for the worse. Violence accompanied the England fans on their journeys around West Germany during the summer, thus ending any hope of an immediate return by our clubs, and the England team was not only dumped out of the European Championships, but made to look decidedly second-rate in the process. As if this wasn't bad enough, there followed a bitter dispute between League clubs over TV revenues which threatened to break the League apart in its Centenary year, and the government announced legislation which would force the League to introduce a membership scheme by the beginning of the 1989-90 season.

To be fair to the England fans in West Germany, it seems that the trouble was usually started by German yobs who delighted in ambushing and provoking the English fans at every opportunity, but it is a great pity that the England followers did not have the necessary self-restraint to avoid the confrontations which were offered. Now, even though the German authorities went out of their way to point out that the English were largely not to blame, English football remains the loser.

It is an even greater pity that the British government has taken such a negative attitude to the problem of football-related violence. It is clear that the Prime Minister and her unimpressive Minister for Sport care little about the game, and have therefore dreamt up a scheme which puts the onus of responsibility for dealing with the problem on to the clubs, when what they should be doing is dealing with it themselves as a question of law and order. Considering that we have a government which has made great promises on the law and order issue in its various election manifestos, it is rather curious to see the buck being passed in this way.

The proposed membership scheme is ludicrous. Apart from the numerous practical difficulties involved, of which more later, the scheme must fail in its objectives for the simple reason that it does not address the problem which it seeks to solve. The problem, stated in its simplest terms, is that a very small minority of the people who attend football matches in this country are violent criminals. Therefore, instead of introducing a national membership scheme which will inconvenience the vast, innocent, majority, why does the government not ensure that these criminals are dealt with in an appropriate manner?

Unfortunately, we have seen the collapse of over 100 prosecutions against people accused of football-related violence during 1988, and although it would not be proper to comment on the specifics of these cases while internal police inquiries are in progress, we must all hope that the police are able to get their act together soon, and deal with the men of violence with considerably more success than hitherto. For their part, the government should be giving the police more support. Rather than imposing a membership scheme on the clubs, the government should be ensuring that adequate legislation is in place to control the people who are ruining our game. Crimes of violence should be punished by long prison sentences, especially where weapons such as knives, or worse, are involved. This would have the dual effect of removing the undesirables from the terraces and deterring others who might otherwise behave in the same way. And any conviction for a crime of violence, whether football-related or otherwise, should result in the automatic confiscation of passports. In this way, not only would the export of football-related violence be limited, but perhaps the beaches in the package holiday resorts would be safer, too.

The purely practical difficulties involved in the scheme are almost too numerous to mention, but those which would occur to even the simplest mind (which begs the question as to why they haven't occurred to anyone in the government) include cost, logistics and enforcement.

Although the costs will (presumably) be shared between the clubs, they will be considerable and ongoing. Therefore, it is safe to assume that they will be passed on to the consumers, which means that all those of us who like to go to football matches and behave ourselves are going to be penalised because the authorities are incompetent to deal with the trouble-makers in any other way.

The problems of logistics and enforcement are potentially appalling, and the main reason why even the police are opposed to the scheme. Checking identity cards through the expensive computer terminals which will have to be installed at every turnstile in the land, as well as relieving the customers of their money, will increase dramatically the time it takes to get people into the stadiums. Either we will all have to turn up an hour earlier than usual and stand in enormous queues, or the number of turnstiles (and computer terminals) will have to be increased, at huge expense.

And what happens when a card is rejected? Will there have to be a police officer on duty at every turnstile to remove the unwanted spectator? And remove him to where? And what happens if another card is rejected while the officer is busy escorting the previous unsuccessful applicant to we know not where? Perhaps we will need two police officers per turnstile, just in case. Or should the job be left to club stewards, assuming that the clubs have enough of them? If they haven't, will they be able to recruit them? But recruit them from where? And can these stewards, whose standards of training will necessarily be far below those of police officers, be trusted to enforce the scheme without running foul of the law themselves? And while all this is going on, the rest of us are waiting patiently in line . . .

Furthermore, the people responsible for dreaming up this wonderful scheme have forgotten all about the casual supporters such as overseas visitors who might want to take in a game while they are in town, and those of us who might want, for a variety of reasons, to attend only a handful of matches each season. Can people in these categories be expected to obtain identity cards on the off-chance that they might want to see a game? And how much will these identity cards cost? Will the cost of the scheme be recovered by charging for the cards, and if so, will there be relief for old age pensioners or the unwaged? Or will they simply be prohibited from attending at all? And when, eventually, English clubs are re-admitted to Europe, how will the scheme monitor foreign trouble-makers, of which there are many, when they follow their teams to our shores? Or will they simply be banned, thus destroying the atmosphere of the occasion?

Perhaps, during the months ahead, wiser counsel will prevail and the scheme be dropped, although it is difficult to be optimistic about this. We have a government which rarely changes its mind, and given that nobody in its ranks really cares about football, the chances of commonsense prevailing seem slim.

Meanwhile, the very structure of the game in this country has been threatened by an unseemly scramble on the part of television companies to get exclusive rights. For the time being, the formation of a so-called Super League has been postponed indefinitely, but one can't help wondering what makes the television people think that the domestic game is worth the incredible amounts of money that they are offering. There has been a noticeable growth of the greed factor throughout football in recent years, which is sad, and the money that television companies are now proposing to throw at the game can only make matters worse. Maybe it would be a good idea to have a small Premier Division. Such a device has been established in Scotland since the mid-seventies with considerable success. But it must be done for the right reasons, in other words for the benefit of the game as a whole, and not come about as the result of an acrimonious split which leaves ten or twelve clubs out on their own as the result of pure selfishness. A Premier Division should be the top of the pyramid, and cannot possibly succeed in isolation. On this matter, at least, there is still a good chance that commonsense will prevail. Let's hope so.

AN APPEAL FROM THE SCOTTISH FOOTBALL LEAGUE

The Scottish Football League will celebrate its centenary in 1990, and have commissioned Mr Bob Crampsey to write the official Centenary Book. No doubt many clubs and supporters are in possession of a wealth of pictorial material relating to the Scottish League. It would therefore be appreciated if anyone in possession of old photographs of teams, individuals, or stadiums would contact The Scottish Football League, 188 West Regent Street, Glasgow G2 4RY (Telephone 041-248 3844) with the details. Should the photograph be considered suitable for possible inclusion in the Centenary Book, arrangements will be made to uplift the photograph(s) and an acknowledgement of the source will be included in the book. Any other items, not necessarily photographs, will also be considered as part of a possible exhibition of football memorabilia which is also planned. Your co-operation is greatly appreciated, but please contact the Scottish Football League direct, and not Panini Publishing Ltd.

Arsenal, having dropped Charlie Nicholas, thrash Portsmouth 6-0 at Highbury for their first win and Alan Smith hits a hat-trick. Everton come back after their midweek debacle in Madrid with a 4-0 win over Sheffield Wed.

Everton get the domestic season under way by beating Coventry City 1-0 in the Charity Shield match at Wembley. Man-of-the-Match Peter Reid (*left*) and goalscorer Wayne Clarke display the trophy. *Photo: Bob Thomas Sports Photography.*

- 30 Plymouth lead Division II on goal difference, while Villa share bottom spot with Reading and West Brom. In Division III, the previously goal-less Gillingham hammer Southend 8-1. Exeter, who have not conceded a goal in three matches, are the only 100% side apart from Liverpool in the League. In Scotland, Celtic beat Rangers, who have player-manager Graeme Souness sent off, and take over from Aberdeen at the top on goal difference. Hamilton top Division I with five wins in five games.
- 31 In a sizeable Bank Holiday programme except for Division I, Manchester United go top with a 3-1 win over Chelsea, and Portsmouth beat West Ham to chalk up their first win. With Anfield still not ready and Exeter losing, Liverpool are now the only 100% League club, having played only two games.

SEPTEMBER 1987

- 1 Spurs beat Oxford 3-0 and equal the club record of 12 consecutive home wins. Striker Mirandinha, who cost Newcastle over £1 million, makes a successful debut at Norwich. Brentford sign Chelsea midfielder Keith Jones, the fee to be agreed.
- 2 QPR beat Everton 1-0 at Loftus Road and go top. West Brom, bottom of Division II, announce the sacking yesterday of manager Ron Saunders.
- 3 Ron Atkinson is named new manager of West Brom. Chelsea announce a three-year, £1.25 million sponsorship with American-based computer giant Commodore, the biggest sponsorship in British club football. QPR confirm new shirt sponsorship, £200,000 from KLM and the Dutch Tourist Board.
- 4 Charlie Nicholas asks Arsenal for a transfer. Villa sign Derby striker Mark Lillis for £130,000.
- 5 QPR win 1-0 at Charlton and extend their lead to 4 points. Forest lose a 3-1 interval lead and go down 4-3 to Chelsea, who are the only First Division home winners and move into 3rd place. Liverpool, held at Upton Park, lose their first points. Luton win 5-2 at Oxford. Barnsley beat co-leaders Plymouth 2-1 and go top of Division II. Palace win 6-0 at Birmingham. The most extraordinary result, however, comes in Division III, where Gillingham swamp Chesterfield, who had previously not conceded a goal, by 10-0! Southend, who conceded 8 goals at Gillingham a week ago, go down 6-2 at Notts County. In Division IV, new club Scarborough join Exeter and Bolton at the top. Hearts join Celtic and Aberdeen at the top in Scotland.
- 8 West Ham striker Tony Cottee is sent off for the first time in his career in the Under-21 friendly with West Germany, which England lose 2-0. A Football League side, captained by Ossie Ardiles, scrapes a 2-2 draw with the Irish League in Belfast thanks to a late equalizer from Mirandinha.
- 9 Home countries go top of their respective qualifying groups in the European Championship, Mark Hughes giving Wales a 1-0 win over Denmark, and Ireland scraping through 2-1 over Luxembourg. In friendlies, Scotland beat Hungary 2-0 at Hampden, but England go down 3-1 in West Germany. Neil Webb (Forest), on for Hoddle after an hour, becomes England's 1,000th international.
- 12 QPR beat Chelsea 3-1 with a Gary Bannister hat-trick and go 5 points clear at the top of Division I. A last-minute Clive Allen penalty takes Spurs into second place as they beat Southampton 2-1 and chalk up their record 13th home win on the trot. Liverpool play their first home game of the season and beat Oxford 2-0. In Division II, Palace go top on goal difference. Walsall go top of Division III as Sunderland are held at home by Bury.
- 14 In Monday's only match, Port Vale beat Southend 4-1 and go top of Division III on goal difference. Gillingham sign keeper Tony Parks of Spurs on a month's loan.
- 15 Two late goals at Anfield give Liverpool a 3-2 win over struggling Charlton and take them into 3rd place with two games in hand. In Division II, Palace draw at Sheffield United but stay top. Notts County go top of Division III. Burnley, with an adverse goal difference (9-10), go top of Division IV. In the UEFA Cup 1st round, Celtic beat Borussia Dortmund by only 2-1 and Aberdeen can only draw in Dublin against part-timers Bohemians.
- 16 Welsh Cup-holders Merthyr beat Atalanta of Italy 2-1 in the Cup-Winners' Cup 1st round 1st leg. In the Champions' Cup, Rangers hold Dynamo Kiev to a single goal, a penalty, while in the clash of the giants in Spain, Real Madrid beat Napoli 2-0—behind closed doors because of crowd disturbances last season. In Division II, Bradford beat Plymouth 3-1 and go top. Arsenal grant Charlie Nicholas's transfer request.
- 17 Watford manager Dave Bassett transfers two more players, Richard Hill and David Bardsley, both to Oxford for £500,000.
- 18 Charlton sign Port Vale striker Andy Jones for £300,000.
- 19 It's 1-2-3 for London in Division I, with QPR top despite losing, followed by Spurs and Chelsea. Charlton beat Luton to chalk up their first win and push winless Wednesday into last place. Bradford stay top of Division II, but Wigan are

- the new leaders of Division III. Scarborough go top of Division IV. Hearts go top of Scotland's Premier Division as Celtic draw with Aberdeen.
- 20 In the first televised League match of the season, a Steve Nicol hat-trick helps Liverpool cruise past Newcastle 4-1 at St James's Park and move into 3rd place. Everton sign Leicester midfielder Ian Wilson for £300,000 to ease their injury problems.
 - 21 Albanian champions Partizan Tirana are banned from European competition for a year after having four players sent off last week in a tie against Benfica.
 - 22 Notable performances in the 1st leg of the Littlewoods Cup 2nd round include Jimmy Quinn's hat-trick for Swindon, who beat Portsmouth 3-1, Bradford's 5-1 win at Fulham, and Wolves' 2-1 victory at Manchester City.
 - 23 Intense speculation becomes reality as Barcelona manager Terry Venables is sacked after a disastrous start to the season. In the Littlewoods Cup, Division I teams fare poorly in the away leg, Chelsea losing 3-1 at Reading, Spurs 1-0 at Torquay, and Newcastle 1-0 at Blackpool, but Liverpool draw at Blackburn and holders Arsenal win 3-0 at Doncaster. At home, Oxford are held by Mansfield, while Manchester United and Forest have 5-0 wins. Manchester City sign reserve Liverpool defender Mark Seagraves for £100,000. Both Aberdeen and Rangers have two-goal victories in the Skol Cup semi-finals. In the European Championship, Bulgaria beat Belgium to leapfrog over Ireland into top place in Group 7.
 - 24 Rangers player-manager Graeme Souness is suspended for five matches for his third sending-off in 14 months, against Celtic last month, and for his verbal abuse of the referee. Leeds sign Liverpool midfield reserve Ken De Mange for £75,000.
 - 25 Exeter win 2-0 at Colchester and go top of Division IV.
 - 26 QPR beat Luton 2-0 and consolidate their lead in Division I, while Chelsea move into 2nd place with a 3-0 win at Watford. With only 2 points separating the top 10 clubs in Division III, Northampton are the new leaders. In Scotland, leading clubs Hearts, Celtic, and Aberdeen all win away and Rangers thrash bottom club Morton 7-0 with hat-tricks from Mark Falco and Ally McCoist. In Division I, Hamilton lose their first game at home, to lowly East Fife, but retain their 5-point lead.
 - 28 After just three months at Newcastle, Glyn Hodges joins Watford, signed by his former Wimbledon boss Dave Bassett for £300,000. Tommy Docherty takes over at GM Vauxhall club Altrincham with his usual enthusiasm. QPR's Irish international midfielder Gary Wad-

dock, 25, is forced to retire from first-class soccer for medical reasons.

Other major transfers include Kevin Langley (Man City to Birmingham) and Ian Marshall (Everton to Oldham) both for £100,000. John Barnes, back in the Liverpool side after injury, celebrates his selection as Footballer of the Year (Football Writers' version) with a goal. West Ham's defeat at Southampton pushes them into the relegation play-off place. Millwall, Bradford, and Middlesbrough consolidate their positions at the top of Division II with good home wins, the latter two leapfrogging over gameless Villa, while Palace beat Blackburn to challenge them for a play-off place. Reading hang on at the other end of the table by beating fellow strugglers Sheffield Utd. Now Chelsea must beat Charlton in their last match if they are to avoid the play-offs and force Charlton to suffer again. Liverpool are presented with the Championship trophy at Anfield but are held 1-1 by Southampton. Middlesbrough's 3-0 win at Barnsley moves them into 2nd place in Division II, needing only to win their last game, but Bradford lose 1-0 at Villa and look like meeting them again in the play-offs. Blackburn are held at home by Reading, but Palace lose at Leeds. Brighton draw at Chester, but move into 2nd place in Division III as Notts Co, at home, and Walsall both lose. - 3 UEFA set a limit of 4 foreign players per squad of 16 in UEFA competitions, a ruling that could seriously affect British clubs, as 'foreign' denotes players not qualified to represent the club's country. West Ham make history by naming a keeper, Phil Parkes, as sub at Newcastle, to guard against a 7-goal defeat that could have put them in the play-offs; they lose 2-1. Liverpool climax their League season with another super show, beating Wednesday 5-1 at Hillsborough. Villa only manage a draw at Swindon, but Middlesbrough and Bradford both lose at home and go into the promotion play-offs with Blackburn, 4-1 winners at champions Millwall. Reading are relegated as Sheffield Utd win at Huddersfield and face the relegation play-offs. Brighton go up with Sunderland from Division III, while Bristol City leapfrog over Northampton for the last promotion play-off spot. At the bottom, Grimsby go down as they draw at home to Aldershot, who stay up. Southend, Chesterfield, and Mansfield escape, but Rotherham crash 4-1 at home to Sunderland and must play off to survive. Torquay lose at home to Scunthorpe in Division IV, and both must play off for promotion, while Bolton win at Wrexham and are promoted. Swansea clinch the last play-off spot as Orient lose at home to champions Wolves. In Scotland, Falkirk's relegation is confirmed as they go down 5-0 at home to Rangers while St Mirren win. In Division 1, Kilmarnock win at Partick to condemn East Fife and Dumbarton to Division 2. In the FA Trophy final, Enfield and Telford play a goalless draw at Wembley.
- 9 A draw at home to Luton in their last League game gives Liverpool 90 points, equalling Everton's Division I record, but a clash of heads between Gillespie and Spackman is a worry just five days before the Cup final. Aldridge scores to take his League tally to 26, top of the Division I scorers. Wimbledon lose at Old Trafford and injury to Terry Gibson gives them cause for concern, too. Chelsea caretaker-manager Bobby Campbell is given a two-year contract. Grimsby manager Bobby Roberts is dismissed, having taken the club from 2nd to 4th Division in two seasons. Terry Cooper is appointed Exeter manager, replacing caretaker John Delve.
- 10 Bristol City manager Joe Jordan signs a new two-year contract.

Southampton manager Chris Nicholl gets a new two-year contract but his assistant Tony Barton is to be released. Former QPR chairman Jim Gregory is to take over at Portsmouth. Newport are saved from extinction by an unidentified benefactor.
- 12 The Football League agree a provisional deal with the new British Satellite Broadcasting (BSB) that would guarantee a minimum £9m per season and net football some £200m in 10 years; the BSB, with a 15-year franchise from the IBA and due to start operations in August 1989, would form a joint company with the League and the FA; but with the BBC and ITV possibly refusing to negotiate with a joint company, there may be no domestic football on TV next season. The Scottish League sign a two-year sponsorship deal worth £2m with DIY company B & Q, who will replace Fine Fare. Norwich sign Wigan midfielder Paul Cook for £73,000. Aldershot chairman Colin Hancock resigns and is replaced by 32-year-old Terry Lewis.
 - 13 Kenny Dalglish wins the Bells Manager of the Year award. Wimbledon name their Cup team, with Gibson in and Clive Goodyear getting the nod over John Scales at right-back, while Dalglish reveals little about Liverpool's line-up except that both Gillespie and Spackman are fit.
 - 14 A 38th minute goal by Lawrie Sanchez and a second-half penalty save by man-of-the-match Dave Beasant from John Aldridge give Wimbledon a sensational 1-0 victory over Liverpool at Wembley; Beasant is the first keeper to captain a Cup-winning team and Aldridge the first player to miss a penalty in a Wembley FA Cup final. Celtic chalk up another League and Cup double, coming from behind with two Frank McAvennie goals in the last 13 minutes to beat Dundee Utd 2-1 in the Scottish Cup final at Hampden. Sports Minister Colin Moynihan criticizes the West Germans' refusal to have all-ticket matches in the European Championships.
 - 15 In the 1st and 2nd Division play-offs, Chelsea win 2-0 at Blackburn, only their second victory in 27 matches, and Bradford will take a 2-1 lead over Middlesbrough to Ayrshire Park. In the other games, home sides Bristol City, Swansea, and Torquay all earn single-goal advantages, but Notts County lose 1-3 to Walsall. Scunthorpe defender Paul Nicol is sent off at Torquay, whose manager Cyril Knowles also gets his marching orders. AC Milan clinch the Italian championship, Bruges the Belgian title.
 - 16 Forest manager Brian Clough agrees a new two-year deal with the club. Luton give Brian Stein, 30, and Meka Nwajobi, 29, free transfers. Aberdeen manager Ian Porterfield resigns. Portuguese club Vitoria Setubal sack manager Malcolm Allison. Newcastle's Paul Gascoigne is fined £200 for kicking over a bucket of water after being sent off at Derby. Guest Ian Rush scores twice in Liverpool's 3-2 win over an England XI in Alan Hansen's testimonial.
 - 17 Colombia draw 0-0 with Scotland at Hampden in the first Rous Cup match. Cardiff beat Wrexham 2-0 at Swansea in the Welsh Cup final and earn their entry into Europe. AC Milan beat Manchester Utd 3-2 in a friendly at Old Trafford.
 - 18 Chelsea beat Blackburn 4-1 (6-1 on aggregate) and will meet Middlesbrough, 2-0 victors over Bradford after extra time, for a First Division place. The other four play-offs finish 1-1, so Sheffield Utd go down, while Bristol City and Walsall meet for a place in Division II, and Rotherham are relegated, with Swansea and Torquay to play off for a place in Division III. There's a dramatic comeback for Bayer Leverkusen in the UEFA Cup, as three second-half goals cancel their first-leg deficit against Espanol and they win the trophy on penalties despite missing their first spot-kick. England manager Bobby Robson gives Arsenal centre-back Tony Adams a vote of confidence after a bout of uncertain form.
 - 19 Provisional attendance figures of nearly 18 million for the four divisions of the League are 3.2% up on last season, despite the 2.7% decrease in First Division gates due to a 9% decrease in matches. An injury puts Mark Wright out of the Scotland match. West Ham make defender Steve Walford available for transfer.
 - 20 The FA are to charge Cup-winners Wimbledon with bringing the game into disrepute after an incident during Alan Cork's testimonial just two days after the final in which eight players dropped their shorts to the crowd at half-time.
 - 21 England win their Rous Cup match with Scotland at Wembley more easily than Beardsley's brilliant goal would indicate, Scots keeper Jim Leighton saving them from a more comprehensive defeat. Northern Ireland open up the World Cup qualifiers with a 3-0 win over Malta in Belfast. Portsmouth include Paul Mariner, Kenny Swain, and Noel Blake on their free transfer list.
 - 22 The Republic of Ireland chalk up an impressive 8th successive victory, beating Poland 3-1 in a friendly at Lansdowne Road. FA chairman Bert Millichip feels that the 200 plus arrests inside and outside Wembley over the weekend cannot

- have helped English clubs' chances of returning to Europe next season.
- 23 The England-Scotland fixture comes under threat as Sports Minister Colin Moynihan calls for a report on the weekend disturbances, while Scottish FA secretary Ernie Walker alleges an 'orchestrated campaign' by the English media against the Scotland fans. Bobby Robson makes four changes in the England team to meet Colombia tomorrow, Wright coming in for Watson, Anderson for Stephens, Waddle for Steven, and McMahon for Webb. Northern Ireland manager Billy Bingham signs a new 4-year contract.
 - 24 Colombia hold England 1-1 at Wembley in an entertaining match watched by under 26,000; England win the Rous Cup.

In the first legs of the League play-off finals, Middlesbrough beat Chelsea 2-0 at Ayrson Park, two goals in the last 10 minutes from much-coveted Ireland striker David Kelly give Walsall a 3-1 lead over Bristol City to take to their home leg, and Swansea edge Torquay 2-1 at the Vetch Field. The FA are prepared to buy £34,000 worth of unsold European Championship tickets rather than let them go on sale in West Germany. Peterborough need a no-strings injection of £1 million to survive. Jimmy Case signs a new one-year contract with Southampton. Wimbledon's Dennis Wise is called into England's Under-21 squad as a replacement.
 - 26 Manchester City's £2m rated striker Paul Stewart is suspended for four matches and fined £600 for exceeding 50 disciplinary points in the season. Aston Villa sign Derek Mountfield from Everton for £425,000 and full-back Chris Price from Blackburn for £150,000.
 - 28 Chelsea win 1-0 at Stamford Bridge but are relegated and Middlesbrough promoted as crowd-trouble at the end of the game virtually scuppers any last remaining hopes of English clubs returning to Europe. The few hundred England fans who see Lineker score England's winner at Lausanne in their last international before the European Championships behave themselves, and the Under-21 game with Switzerland is drawn 1-1. Robson announces his squad, the only surprise being Chelsea left-back Tony Dorigo as cover for Kenny Sansom. In the other play-off games, Bristol City win 2-0 at Walsall to force a decider (Walsall win a penalty shoot-out to determine venue) and Swansea draw 3-3 at Torquay to claim the last promotion spot to Division III on aggregate.
 - 29 Over 80,000 fans see two Fourth Division sides, Wolves and Burnley, contest the Sherpa Van Trophy final at Wembley, with Wolves triumphant 2-0.
 - 30 Walsall beat Bristol City 4-0 in the replayed play-off to win promotion to Division II thanks largely to a David Kelly hat-trick. The whole Bristol Rovers youth team are held in police custody overnight in Mannheim, West Germany, after allegedly going on a drunken rampage. Jack Charlton names the Republic of Ireland squad for Europe and includes captain Frank Stapleton and Newcastle's John Anderson, after fitness tests, and John Byrne, just transferred from QPR to French club Le Havre for £175,000. The Scottish League agree to postpone fixtures on four Saturdays next season before World Cup qualifying ties.
 - 31 England's matches in the European Championship are now to be all-ticket, after the Sports Minister's complaint to the German authorities. Ipswich sign defender David Linighan from Shrewsbury, who want £250,000.

Denmark lose 1-0 at home to Czechoslovakia, Spain 3-1 at home to Sweden. Ian Rush scores the winner as Wales win 3-2 in Malta. Jim Gregory completes the takeover of Portsmouth.
- 3 The League's annual meeting comprehensively reject the PFA's plans, put forward by the League management committee, to deduct points for poor disciplinary records. Everton's Philip Carter is re-elected president, but Bobby Charlton fails to get on the management committee. The League limit the number of people on the trainers' bench to seven, and decree that from 1990-91 both sleeves of players' shirts will carry the League logo. Central defender Steve Bould joins Arsenal from Stoke for a fee to be decided. Hull sign Watford central defender Steve Terry for £100,000. Everton's Paul Power is forced to retire through a knee injury and becomes the youth team coach.
- 4 England win a full-scale work-out against Beazer Homes League champions Aylesbury 7-0, with Beardsley scoring 4. Ian Rush scores for Wales as they shock European finalists Italy 1-0 in Brescia. Chelsea keeper Eddie Niedzwiecki is forced to retire after a succession of knee operations and becomes youth team coach.
- 5 Cup-winners Wimbledon threaten to take UEFA to court if they fail to lift the ban on

- English clubs. Former England international Gary Shaw joins BK Copenhagen on a free transfer from Villa. England beat Mexico 2-1 in the Toulon Under-21s tournament, but West Ham full-back Julian Dicks is sent off.
- 6 Inter Milan sign Porto's Algerian forward Rabah Madjer for over £2 million. Arthur Albiston joins West Brom on a free transfer from Man Utd. Alan Buckley is appointed manager of Grimsby. The Scottish FA tell training staff to remain seated following police complaints about the Celtic-Hearts Cup semi-final.
 - 7 League secretary Graham Kelly is the surprise choice to succeed Ted Croker as chief executive of the FA. Newcastle sign Wimbledon Cup hero Dave Beasant for £850,000, a record fee for a keeper. England Under-21s beat USSR 1-0. Preston sign Blackburn midfielder Mark Patterson for £20,000.
 - 8 Wimbledon are fined £5,000 and nine players £750 each for the 'mooning' incident at Alan Cork's testimonial. Wednesday sign Alan Harper from Everton for £275,000. Man City sign Luton's Littlewoods Cup hero goalkeeper Andy Dibble for a fee to be determined. Huddersfield appoint Eoin Hand as manager and Peter Withe as assistant manager and coach. The Football League bar Coventry and Spurs from competing in a four-team tournament in Majorca in August.
 - 9 England qualify for the Toulon Under-21 final by beating Morocco 1-0. Mark Wright limps off as England beat a local amateur side 4-0 in their last warm-up before the start of the European Championship. West German police stage a mock battle with colleagues shouting slogans in English! Spurs are favourites over Everton to sign Man City's £1.7 million rated striker Paul Stewart. Man City sign central defender Brian Gayle from Wimbledon. Southampton sign Russell Osman from Leicester, and Swindon's Jimmy Quinn agrees to join Leicester, all for fees to be determined. The High Court throw debt-ridden Peterborough a lifeline, allowing them time to raise new capital.
 - 10 The European Championships open with a 1-1 draw between hosts West Germany and Italy. England are now anxious about Lineker's fitness as well as Wright's, while Ireland manager Jack Charlton appears to have no worries. Paul Stewart, on his wedding day, agrees to join Spurs. Consolation for Everton - they sign Bradford midfielder Stuart McCall for £850,000. Leeds sign Portsmouth captain Noel Blake on a free transfer, and Peter Osgood is made redundant as Portsmouth youth team coach. Scarborough appoint Sheffield United's Colin Morris as player-coach.
 - 11 Spain beat a disappointing Denmark 3-2 with the help of a blatantly offside goal. Watford sign Willie Falconer from Aberdeen for £300,000.
 - 12 Ireland shock a full-strength England 1-0 in Stuttgart as a shaky defence presents Ray Houghton with a 6th-minute goal and the forwards spurn chances galore. There is no crowd-trouble at the ground, but violence breaks out in the town after the match. In Cologne, a Rats goal and brilliant defence gives the USSR a surprise 1-0 victory over the disappointing Dutch. In Toulon, France twice equalize Michael Thomas goals for England to win the Under-21 tournament 4-2 after extra time.
 - 13 England Under-21 players are officially congratulated for their behaviour on and off the pitch after the Toulon tournament, and Michael Thomas (Arsenal) is voted best player, Nigel Martyn (Bristol R.) best keeper. Hull appoint Eddie Gray as manager. The Scottish FA ban Leeds from a pre-season tournament in Perth because of their supporters' reputation.
 - 14 West Germany outplay Denmark 2-0. In the best match so far, a Viali goal gives Italy a well-deserved 1-0 win over Spain. British fans are involved in more violence, at night in Dusseldorf. Sports Minister Colin Moynihan's report to UEFA on last season's crowd behaviour inside English grounds presents a gloomy picture. The FA will stand by England manager Bobby Robson whatever tomorrow's result against Holland. Robson declines to announce his team, but media predictions are that Hoddle (for Webb) and possibly the fit again Steven will be in. The Irish have several injury problems.
 - 15 Holland dump England out of the European Championships with a fine 3-1 win in Dusseldorf, thanks to a brilliantly taken hat-trick from Marco van Basten, who had almost walked out of the competition when omitted from their first game. The USSR are lucky to scrape a 1-1 draw with Ireland, who outplay them and score a spectacular goal through Ronnie Whelan. Home Secretary Douglas Hurd phones the West German Interior Ministry to apologise for the part played by English hooligans in the Dusseldorf violence last night. Meanwhile there are further clashes involving English, German, and Dutch mobs in Dusseldorf.
 - 16 The FA withdraws its request to UEFA for the return of English clubs to European competition. And one of the points emerging from the Downing Street soccer summit is the possible withdrawal of the England team from international competition. Other measures being considered by the government, as announced by Home Secretary Mr Hurd, include new powers to impose restrictions on travel, and further restrictions on admission to grounds and on the sale of alcohol in the vicinity of grounds. English and German mobs create more night-time

- disturbances, this time in Frankfurt. The FA cancel England's September trip to Italy, and will play Denmark at Wembley instead. The bookies give manager Bobby Robson only an even chance of still being in charge as media hysteria for his resignation grows. Watford sign Swindon striker Dave Bamber for a fee to be set. Chelsea sign a 5-year, £450,000 sponsorship deal with Umbro. Plymouth manager Dave Smith is set to manage home-team club Dundee. Paul Rideout is expected to join Southampton from Bari for £350,000.
- 17 West Germany and Italy go through to the semi-finals of the European Championships, beating Spain and Denmark, respectively, 2-0.
 - 18 The USSR beat England 3-1 in Frankfurt to qualify for the European semi-finals, but Ireland are denied by a fluke goal 8 minutes from time with a Dutchman blatantly offside, so Holland also go through. Bobby Robson, who played five in midfield behind Gary Lineker, deflects calls for his resignation. There is more violence in Frankfurt during the night.
 - 20 Bradford, having sold striker John Hendrie to Newcastle for £500,000, sign midfielder Andy Thomas from them for £80,000.
 - 21 Justice is done in Hamburg when Holland beat West Germany 2-1 to reach the final of the European Championships. Outplayed in the first half, the Germans resort to dubious tactics in the second and their gamesmanship pays off when the rattled Dutch give away a penalty from which Matthäus scores. The referee later balances the books by awarding the Dutch a dubious penalty and Ronald Koeman equalizes. Van Basten scores a brilliant late winner. Gordon Cowans rejoins Villa on a £250,000 transfer from Italian club Bari.
 - 22 The USSR beat Italy in the rain at Stuttgart to secure a place in the European final against Holland. England coach Don Howe is in hospital for tests after suffering chest pains soon after his return from West Germany. The League tribunal assess Steve Bould's transfer fee at £390,000, roughly midway between Arsenal's offer (£175,000) and Stoke's asking price (£650,000). Barcelona manager Johan Cruyff confirms that Gary Lineker will remain at Nou Camp.
 - 23 Mark Hughes returns to Man Utd from Barcelona for £1.5 million, while United and England captain Bryan Robson is charged with drink-driving and failing to provide a specimen. French club Caen sign Graham Rix from Arsenal on a free transfer and Brian Stein from Luton.

 - 25 Holland deservedly win the European Championship, beating the USSR 2-0 in the final, with a first-half header from Gullit from a van Basten headed pass and a spectacular far-post van Basten volley from an Arnold Muhren cross. The Dutch keeper van Breukelen saves a Belanov penalty to prevent the USSR getting back in the game.
 - 26 UEFA suspend Michel and Hugo Sanchez for 9 and 3 games, respectively, for referee abuse after Real Madrid were knocked out of the European Cup.

 - 28 Stoke sign Sheff Utd winger Peter Beagrie for £215,000, of which former club Middlesbrough get £60,000. Lee Chapman joins French club Chamois Niortais from Sheff Wed. Peterborough shareholders vote to accept constitutional changes that will allow control to be handed to a new owner by the end of the week and thus safeguard the club's future.
 - 29 The FA charge Chelsea and Middlesbrough over the crowd-trouble at the end of their play-off match at Stamford Bridge, and the Police Federation launch a fierce attack on Chelsea chairman Ken Bates over his attitude towards their fans and call for the closure of Stamford Bridge for a season. The Football League name Holland, Spain, Belgium, and parts of Greece out-of-bounds for League clubs this summer in an attempt to pre-empt trouble. Rangers agree to pay Norwich £500,000 for striker Kevin Drinkell subject to a medical. Man City sign John Deehan from Ipswich.

Middlesbrough ask for a personal FA hearing after the Stamford Bridge crowd-trouble charge and are confident of being cleared. Mexico will miss the 1990 World Cup after receiving a 2-year ban in all competitions for fielding four over-age players in the World Youth Championships qualifying tournament in April. England are to play a friendly international against Ireland in Dublin in May.

PLAYER DIRECTORY

INTRODUCTION

The following directory lists, in alphabetical order by surname, all those players listed as contract professionals by the Football League and the Scottish Football League (Premier Division) at the end of the 1987-88 season.

The information in each player's record is listed as follows: name, date of birth, place of birth, position (in brackets, GK = goalkeeper, DF = defender, MF = midfield, FW = forward), height, weight, and source. Then follow details of the player's League debut (LD), assuming that he has yet made a League appearance. The match, date and respective score are listed, with the team for which he made his first appearance underlined. For example, Cambridge U v Bolton W, 13.3.82, 2-1 means that he made his first appearance for Bolton away to Cambridge on 13.3.82, and Cambridge won 2-1.

Then follows a season-by-season listing, giving the team or teams for which he appeared each season, the Division, the number of League appearances and the number of League goals. Where the player was on loan, the team name is in *italics*, and appearances as substitutes have been amalgamated with full appearances. Appearances in end-of-season play-offs are not included, in accordance with Football League practice.

Unfortunately, in a very few cases, full details in the first two lines of data following each player's name have not been available at the time of going to press.

INTRODUCTION TO THE CLUB DIRECTORY

On the next 185 pages, you will find a directory of the 92 clubs which participated in the 1987–88 Barclays League programme, with two pages dedicated to each club. The clubs are arranged in strict alphabetical order, regardless of Division, although Lincoln City, who were promoted from the GM Vauxhall Conference at the end of the season, have been added at the end of the directory, as they have only one page, and had they been inserted in their 'proper' place it would have upset the balance of the directory. The Division printed at the top of each club's first page refers to the Division they will be playing in during season 1988–89.

The first page for each club lists all the basic information relating to that club, and is self-explanatory, although it should be noted that the team photographs are usually those taken at the beginning of the 1987–88 season. This is because the bulk of the statistics in this directory relate to that season, but there is another, practical reason – clubs do not usually hold photocalls for team photographs until immediately prior to the start of a new season, which is of course far too late for inclusion in the 1988–89 yearbook. All 93 clubs featured in the directory have been consulted about the content of this page, and every effort has been made to ensure that the information is correct and as up to date as possible.

The second page for each club is a complete statistical breakdown of their League programme for season 1987–88 (the various Cup competitions are dealt with later in the yearbook). Reading from the left on each line of the grid, you will find the match number, the opponents (an asterisk indicates that the team to which the page relates was playing at home), the date of the match, the shirt numbers of the players involved in each match (whose names run along the top of the grid) and finally, on the extreme right hand side of the grid, the full time score, the half-time score (in brackets), the attendance and the League position of the club following that particular match. The League position is not normally listed after mid-week games, or for the first couple of matches in the season.

It should be noted that the attendance figures quoted in this directory are those published in the Press at the time of the match, and will not necessarily be exactly the same as the official Football League attendance statistics which are published further on in the yearbook. There is also a note in the bottom right hand corner of each page showing the club's League position at the end of the season.

At the foot of each player's column are the totals of his full League appearances for the season, with substitute appearances in brackets, followed by his total of League goals. These substitute appearances are listed only if the player actually took part in a game. In the Player Directory starting on page 30, substitute appearances have been amalgamated with full appearances.

In the little boxes containing the shirt numbers, superior figures indicate goals scored in that match, while inferior figures indicate penalties scored. Note that the figures do not overlap, so a superior '1' together with an inferior '1' means that the player in question scored two goals, one of which was a penalty. A dagger indicates that the player was replaced during the match by substitute number 12, and a double dagger indicates he was replaced by substitute number 14. Own goals scored by opponents are listed separately at the foot of the page. As there is only room on the grid for a maximum of 30 players, any players used in excess of that number are also listed separately at the foot of the page.

Grids contained in the Scottish section of the yearbook conform to the same pattern.

*Won on goal average/difference. †Two points deducted for fielding an ineligible player. ‡Won on deciding match.

§Two points deducted for registration irregularities. **Declared Champions after a three-team play-off.

The following clubs were elected to the First Division: Clyde (1894, 1906), Partick Thistle (1897, 1900, 1902), Kilmarnock (1899), Airdrieonians (1903), Falkirk (1905), Aberdeen (1905), Hamilton Academicals (1905), Raith Rovers (1910), Ayr United (1913). There was a Third Division in Scotland for three seasons (1923-24 to 1925-26) but it was disbanded as so many of its clubs were in financial difficulties. Arthurlie won it in 1924, Nithsdale Wanderers in 1925 and Helensburgh were leading when it was suspended in 1926. The division was briefly resurrected as Division C after the war. Stirling Albion won it in 1947, East Stirling in 1948 and Forfar in 1949. From 1946-47 to 1955-56 inclusive, Divisions 1 and 2 were called Divisions A and B. Renton were expelled after four games in 1890-91 for playing v Edinburgh Saints, who included professional players. They were later re-admitted but resigned in 1897-98, being replaced by Hamilton. Bathgate and Arthurlie resigned in 1929. Bo'ness and Armadale were expelled in November 1932 for being unable to meet their £50 match guarantees. Third Lanark, founder members, dropped out in 1967 and ceased to exist. The following 18 clubs (not counting the short-lived Third Division) either failed re-election or chose not to re-apply: Abercorn, Broxburn, Cambuslang, Clackmannan, Clydebank (not the current club), Cowairs, Dundee Wanderers, Edinburgh City, Leith Athletic, Linthouse, Lochgelly, Johnstone (not St Johnstone), King's Park, Northern, Port Glasgow, St Bernard's, Thistle and Vale of Leven. Former Third Division clubs no longer in the League are: Peebles Rovers, Dykehead, Solway Star, Helensburgh, Beith, Nithsdale Wanderers, Royal Albert and Mid-Annandale.

*Season 1921-22, only 1 club promoted, 3 relegated.

There were no relegations at the end of season 1974-75 as the Scottish League was reconstructed into three divisions. Further reorganisation, increasing the size of the Premier Division to 12 teams from 10, took place in the summer of 1986, but the Premier Division reverted to 10 teams for the start of season 1988-89.

LAWS OF THE GAME

LAW 1 – THE FIELD OF PLAY

The Field of Play and appurtenances shall be as shown in the following plan:

1. Dimensions. The field of play shall be rectangular, its length being not more than 130 yards nor less than 100 yards, and its breadth not more than 100 yards nor less than 50 yards. (In International Matches the length shall be not more than 120 yards nor less than 110 yards and the breadth not more than 80 yards nor less than 70 yards.) The length shall in all cases exceed the breadth.

2. Marking. The field of play shall be marked with distinctive lines, not more than 5 inches in width, not by a V-shaped rut, in accordance with the plan, the longer boundary lines being called the touch-lines and the shorter the goal-lines. A flag on a post not less than 5ft high and having a non-pointed top, shall be placed at each corner; a similar flag-post may be placed opposite the half-way line on each side of the field of play, not less than 1 yard outside the touch-line. A half-way-line shall be marked out across the field of play. The centre of the field of play shall be indicated by a suitable mark and a circle with a 10 yards radius shall be marked round it.

3. The Goal-Area. At each end of the field of play two lines shall be drawn at right-angles to the goal-line, 6 yards from each goal-post. These shall extend into the field of play for a distance of 6 yards and shall be joined by a line drawn parallel with the goal-line. Each of the

spaces enclosed by these goal-lines and the goal-line shall be called a goal-area.

4. The Penalty-Area. At each end of the field of play two lines shall be drawn at right angles to the goal-line, 18 yards from each goal-post. These shall extend into the field of play for a distance of 18 yards and shall be joined by a line drawn parallel with the goal-line. Each of the spaces enclosed by these lines and the goal-line shall be called a penalty-area. A suitable mark shall be made within each penalty area 12 yards from the mid-point of the goal-line, measured along an undrawn line at right-angles thereto. These shall be the penalty-kick marks. From each penalty-kick mark an arc of a circle, having a radius of 10 yards, shall be drawn outside the penalty-area.

5. The Corner Area. From each corner-flag post a quarter circle, having a radius of 1 yard, shall be drawn inside the field of play.

6. The Goals. The goals shall be placed on the centre of each goal-line and shall consist of two upright posts, equidistant from the corner-flags and 8 yards apart (inside measurement), joined by a horizontal cross-bar the lower edge of which shall be 8ft from the ground. The width and depth of the goal-posts and the width and depth of the cross-bars shall not exceed 5 inches.

LAWS OF THE GAME

The goal-posts and the cross-bars shall have the same width.

Nets may be attached to the posts, cross-bars and ground behind the goals. They should be appropriately supported and be so placed as to allow the goal-keeper ample room.

Goal nets. The use of nets made of hemp, jute or nylon is permitted. The nylon strings may, however, not be thinner than those made of hemp or jute.

Decisions of the International Board

1. In International Matches the dimensions of the field of play shall be: maximum 110×75 metres; minimum 100×64 metres.

2. National Associations must adhere strictly to these dimensions. Each National Association organising an International Match must advise the visiting Association, before the match, of the place and the dimensions of the field of play.

3. The Board has approved this table of measurements for the Laws of the Game:

130 yd	– 120 m	8 ft	– 2.44 m
120 yd	– 110 m	5 ft	– 1.5 m
110 yd	– 100 m	28 in	– 0.71 m
100 yd	– 90 m	27 in	– 0.68 m
80 yd	– 75 m	9 in	– 0.22 m
70 yd	– 64 m	5 in	– 0.12 m
50 yd	– 45 m	$\frac{3}{4}$ in	– 0.019 m
18 yd	– 16.5 m	$\frac{1}{2}$ in	– 0.0127 m
12 yd	– 11 m	$\frac{3}{8}$ in	– 0.01 m
10 yd	– 9.15 m	14 oz	– 396 grm
8 yd	– 7.32 m	16 oz	– 453 grm
6 yd	– 5.5 m	15 lb/sq in	– 1 kg/cm ²
1 yd	– 1 m		

4. The goal-line shall be marked the same width as the depth of the goal-posts and the cross-bar, so that the goal-line and goal-post will conform to the same interior and exterior edges.

5. The 6 yards (for the outline of the goal-area) and the 18 yards (for the outline of the penalty-area) which have to be measured along the goal-line, must start from the inner sides of the goal-posts.

6. The space within the inside areas of the field of play includes the width of the lines marking these areas.

7. All Associations shall provide standard equipment, particularly in International Matches, when the Laws of the Game must be complied with in every respect and especially with regard to the size of the ball and other equipment which must conform to the regulations. All cases of failure to provide standard equipment must be reported to FIFA.

8. In a match played under the Rules of a Competition, if the cross-bar becomes displaced or broken, play shall be stopped and the match abandoned unless the cross-bar has been repaired and replaced in position or a new one provided without such being a danger to the players. A rope is not considered to be a satisfactory substitute for a cross-bar.

In a Friendly Match, by mutual consent, play may be resumed without the cross-bar provided it has been removed and no longer constitutes a danger to the players. In these circumstances, a rope may be used as a substitute for a cross-bar. If a rope is not used and the ball crosses the goal-line at a point which in the opinion of the Referee is below where the cross-bar should have been he shall award a goal.

The game shall be restarted by the Referee dropping the ball at the place where it was when play was stopped.

9. National Associations may specify such maximum and minimum dimensions for the cross-bars and goal-posts, within the limits laid down in Law 1, as they consider appropriate.

10. Goal-posts and cross-bars must be made of wood, metal or other approved material as decided from time to time by the International FA Board. They may be square, rectangular, round, half-round or elliptical in shape. Goal-posts and cross-bars made of other materials and in other shapes are not permitted.

11. 'Curtain-raisers' to International Matches should only be played following agreement on the day of the match, and taking into account the condition of the field of play, between representatives of the two Associations and the Referee (of the International Match).

12. National Associations, particularly in International Matches, should

- restrict the number of photographers around the field of play.
- have a line ('photographers' line') marked behind the goal-lines at least two metres from the corner flag going through a point situated at least 3.5 metres behind the intersection of the goal-line with the line marking the goal area to a point situated at least six metres behind the goal-posts.
- prohibit photographers from passing over these lines.
- forbid the use of artificial lighting in the form of 'flashlights'.

LAW 2 – THE BALL

The ball shall be spherical; the outer casing shall be of leather or other approved materials. No material shall be used in its construction which might prove dangerous to the players.

The circumference of the ball shall not be more than 28in and not less than 27in. The weight of the ball at the start of the game shall not be more than 16oz nor less than 14oz. The pressure shall be equal to 0.6–1.1 atmospheres (=600–1100gr/cm²) at sea level. The ball shall not be changed during the game unless authorised by the Referee.

Decisions of the International Board

1. The ball used in any match shall be considered the property of the Association or Club on whose ground the match is played, and at the close of play it must be returned to the Referee.

2. The International Board, from time to time, shall decide what constitutes approved materials. Any approved material shall be certified as such by the International Board.

3. If the ball bursts or becomes deflated during the course of a match, the game shall be stopped and restarted by dropping the new ball at the place where the first ball became defective.

4. If this happens during a stoppage of the game (place-kick, goal-kick, corner-kick, free-kick, penalty-kick or throw-in) the game shall be restarted accordingly.

LAW 3 – NUMBER OF PLAYERS

1. A match shall be played by two teams, each consisting of not more than eleven players, one of whom shall be the goalkeeper.

2. Substitutes may be used in any match played under the rules of an official competition at FIFA, Confederation or National Association level, subject to the following conditions:

a) that the authority of the international association(s) or national association(s) concerned, has been obtained.

b) that, subject to the restriction contained in the following paragraph (c), the rules of a competition shall state how many, if any, substitutes may be used, and

c) that a team may not be permitted to use more than two substitutes in any match, who must be chosen from not more than five players whose names shall be given to the referee prior to the commencement of the match.

3. Substitutes may be used in any other match, provided that the two teams concerned reach agreement on a maximum number, not exceeding five, and that the terms of such agreement are intimated to the Referee, before the match. If the Referee is not informed, or if the teams fail to reach agreement, no more than two substitutes shall be permitted. In all cases, the substitutes must be chosen from not more than five players whose names shall be given to the referee prior to the commencement of the game.

4. Any of the other players may change places with the goalkeeper, provided that the Referee is informed before the change is made, and provided also, that the change is made during a stoppage in the game.

5. When a goalkeeper or any other player is to be replaced by a substitute, the following conditions shall be observed.

a) the Referee shall be informed of the proposed substitution, before it is made.

b) the substitute shall not enter the field of play until the player he is replacing has left, and then only after having received a signal from the Referee.

c) he shall enter the field during a stoppage in the game, and at the half-way line.

d) a player who has been replaced shall not take any further part in the game.

e) a substitute shall be subject to the authority and jurisdiction of the Referee whether called upon to play or not.

f) the substitution is completed when the substitute enters the field of play, from which moment he becomes a player and the player whom he is replacing ceases to be a player.

Punishment:

a) Play shall not be stopped for an infringement of paragraph 4. The players concerned shall be cautioned immediately the ball goes out of play.

b) If a substitute enters the field of play without the authority of the Referee, play shall be stopped. The substitute shall be cautioned or sent off according to the circumstances. The game shall be restarted by the Referee dropping the ball at the place where it was when play was stopped, unless it was within the goal area at that time, in which case it shall be dropped on the part of the goal area line which runs parallel to the goal-line, at the point nearest to where the ball was when play was stopped.

c) For any other infringement of the Law, the player concerned shall be cautioned, and if the game is stopped by the Referee, to administer the caution, it shall be restarted by an indirect free-kick, to be taken by a player of the opposing team from the place where the ball was, when play was stopped. If the free-kick is awarded to a team within its own goal-area, it may be taken from any point within that half of the goal-area in which the ball was when play was stopped.

Decisions of the International Board

1. The minimum number of players in a team is left to the discretion of National Associations.

2. The Board is of the opinion that a match should not be considered valid if there are fewer than seven players in either of the teams.

3. A player who has been ordered off before play begins may be replaced only by one of the named substitutes. The kick-off must not be delayed to allow the substitute to join his team.

A player who has been ordered off after play has started may not be replaced.

A named substitute who has been ordered off, either before or after play has started, may not be replaced (this decision relates only to players who are ordered off under Law 12. It does not apply to players who have infringed Law 4).

4. For any offence committed on the field of play a substitute shall be subject to the same punishment as any other player whether called upon or not.

LAW 4 – PLAYERS' EQUIPMENT

A player shall not wear anything which is dangerous to another player. Footwear (boots or shoes) must conform

LAWS OF THE GAME

to the following standard.

a) Bars shall be made of leather or rubber and shall be transverse and flat, not less than half an inch in width and shall extend the total width of the sole and be rounded at the corners.

b) Studs which are independently mounted on the sole and are replaceable shall be made of leather, rubber, aluminium, plastic or similar material and shall be solid. With the exception of that part of the stud forming the base, which shall not protrude from the sole more than one quarter of an inch, studs shall be round in plan and not less than half an inch in diameter. Where studs are tapered, the minimum diameter of any section of the stud must not be less than half an inch. Where metal seating for the screw type is used, this seating must be embedded in the sole of the footwear and any attachment screw shall be part of the stud. Other than the metal seating for the screw-type of stud, no metal plates even though covered with leather or rubber shall be worn, neither studs which are threaded to allow them to be screwed on to a base screw that is fixed by nails or otherwise to the soles of footwear, nor studs which, apart from the base, have any form of protruding edge rim or relief marking or ornament should be allowed.

c) Studs which are moulded as an integral part of the sole and are not replaceable shall be made of rubber, plastic, polyurethane or similar soft materials. Provided that there are no fewer than ten studs on the sole, they shall have a minimum diameter of three-eighths of an inch (10mm). Additional supporting material to stabilise studs of soft materials, and ridges which shall not protrude more than 5mm from the sole and moulded to strengthen it, shall be permitted provided that they are in no way dangerous to other players. In all other respects they shall conform to the general requirements of this Law.

d) Combined bars and studs may be worn, provided the whole conforms to the general requirements of this Law. Neither bars nor studs on the soles or heels shall project more than three-quarters of an inch. If nails are used they shall be driven in flush with the surface.

The goalkeeper shall wear colours which distinguish him from the other players and from the Referee.

Punishment: For any infringement of this Law, the player at fault shall be sent off the field of play to adjust his equipment and he shall not return without first reporting to the Referee, who shall satisfy himself that the player's equipment is in order; the player shall only re-enter the game at a moment when the ball has ceased to be in play.

Decisions of the International Board

1. The usual equipment of a player is a jersey or shirt, shorts, stockings, and footwear. In a match played under the rules of a competition, players need not wear boots or shoes, but shall wear jersey or shirt, shorts, or track suit or similar trousers, and stockings.

2. The Law does not insist that boots or shoes must be worn. However, in competition matches Referees should not allow one or a few players to play without footwear when all the other players are so equipped.

3. In International Matches, International Competitions, International Club Competitions, and friendly matches between clubs of different National Associations, the Referee, prior to the start of the game, shall inspect the players' footwear, and prevent any player whose footwear does not conform to the requirements of the Law from playing until such time as it does comply.

The rules of any competition may include a similar provision.

4. If the Referee finds that a player is wearing articles not permitted by the Laws and which may constitute a danger to other players, he shall order him to take them off. If he fails to carry out the Referee's instruction, the player shall not take part in the match.

5. A player who has been prevented from taking part in the game or a player who has been sent off the field for infringing Law 4 must report to the Referee during a stoppage of the game and may not enter or re-enter the field of play unless and until the Referee has satisfied himself that the player is no longer infringing Law 4.

6. A player who has been prevented from taking part in a game or who has been sent off because of an infringement of Law 4, and who enters or re-enters the field of play to join or rejoin his team, in breach of the conditions of Law 12(g), shall be cautioned. If the Referee stops the game to administer the caution, the game shall be restarted by an indirect free-kick, taken by a player of the opposing side, from the place where the ball was when the Referee stopped the game. If the free-kick is awarded to a side within its own goal-area, it may be taken from any point within that half of the goal-area in which the ball was when play was stopped.

LAW 5 – REFEREES

A Referee shall be appointed to officiate in each game. The authority and the exercise of the powers granted to him by the Laws of the Game commence as soon as he enters the field of play.

His power of penalising shall extend to offences committed when play has been temporarily suspended, or when the ball is out of play. His decision on points of fact connected with the play shall be final, so far as the result of the game is concerned. He shall:

a) Enforce the Laws.

b) Refrain from penalising in cases where he is satisfied that, by doing so, he would be giving an advantage to the offending team.

c) Keep a record of the game, act as time-keeper and allow the full or agreed time, adding thereto all time lost through accident or other cause.

d) Have discretionary power to stop the game for any infringement of the Laws and to suspend or termi-

nate the game whenever, by reason of the elements, interference by spectators, or other cause, he deems such stoppage necessary. In such a case he shall submit a detailed report to the competent authority, within the stipulated time, and in accordance with the provisions set up by the National Association under whose jurisdiction the match was played. Reports will be deemed to be made when received in the ordinary course of post.

e) From the time he enters the field of play, caution any player guilty of misconduct or ungentlemanly behaviour and, if he persists, suspend him from further participation in the game. In such cases the Referee shall send the name of the offender to the competent authority, within the stipulated time, and in accordance with the provisions set up by the National Association under whose jurisdiction the match was played. Reports will be deemed to be made when received in the ordinary course of post.

f) Allow no person other than the players and linesmen to enter the field of play without his permission.

g) Stop the game if, in his opinion, a player has been seriously injured, have the player removed as soon as possible from the field of play, and immediately resume the game. If a player is slightly injured, the game shall not be stopped until the ball has ceased to be in play. A player who is able to go to the touch or goal-line for attention of any kind, shall not be treated on the field of play.

h) Send off the field of play, any player who, in his opinion, is guilty of violent conduct, serious foul play, or the use of foul or abusive language.

i) Signal for commencement of the game after all stoppages.

j) Decide that the ball provided for a match meets with the requirements of Law 2.

Decisions of the International Board

1. Referees in International Matches shall wear a blazer or blouse the colour of which is distinct from the colours worn by the contesting teams.

2. Referees for International Matches will be selected from a neutral country unless the countries concerned agree to appoint their own officials.

3. The Referee must be chosen from the official list of International Referees. This need not apply to Amateur and Youth International Matches.

4. The Referee shall report to the appropriate authority misconduct or any misdemeanour on the part of spectators, officials, players, named substitutes or other persons which take place either on the field of play or in its vicinity at any time prior to, during, or after the match in question so that appropriate action can be taken by the authority concerned.

5. Linesmen are assistants of the Referee. In no case shall the Referee consider the intervention of a Linesman if he himself has seen the incident and from his position on the field, is better able to judge. With this

reserve, and the Linesman neutral, the Referee can consider the intervention and if the information of the Linesman applies to that phase of the game immediately before the scoring of a goal, the Referee may act thereon and cancel the goal.

6. The Referee, however, can only reverse his first decision so long as the game has not been restarted.

7. If the Referee has decided to apply the advantage clause and to let the game proceed, he cannot revoke his decision if the presumed advantage has not been realised, even though he has not, by any gesture, indicated his decision. This does not exempt the offending player from being dealt with by the Referee.

8. The Laws of the Game are intended to provide that games should be played with as little interference as possible, and in this view it is the duty of Referees to penalise only deliberate breaches of the Law. Constant whistling for trifling and doubtful breaches produces bad feeling and loss of temper on the part of the players and spoils the pleasure of spectators.

9. By paragraph (d) of Law 5 the Referee is empowered to terminate a match in the event of grave disorder, but he has no power or right to decide, in such event, that either team is disqualified and thereby the loser of the match. He must send a detailed report to the proper authority who alone has power to deal further with the matter.

10. If a player commits two infringements of a different nature at the same time, the Referee shall punish the more serious offence.

11. It is the duty of the Referee to act upon the information of neutral Linesmen with regard to incidents that do not come under the personal notice of the Referee.

12. The Referee shall not allow any person to enter the field until play has stopped, and only then, if he has given him a signal to do so, nor shall he allow coaching from the boundary lines.

LAW 6 – LINESMEN

Two Linesmen shall be appointed, whose duty (subject to the decision of the Referee) shall be to indicate when the ball is out of play, which side is entitled to the corner-kick, goal-kick or throw-in, and when a substitute is desired. They shall also assist the Referee to control the game in accordance with the Laws. In the event of undue interference or improper conduct by a Linesman, the Referee shall dispense with his services and arrange a substitute to be appointed. (The matter shall be reported by the Referee to the competent authority.) The Linesmen should be equipped with flags by the Club on whose ground the match is played.

Decisions of the International Board

1. Linesmen, where neutral, shall draw the Referee's attention to any breach of the Laws of the Game of which they become aware if they consider that the

LAWS OF THE GAME

Referee may not have seen it, but the Referee shall always be the judge of the decision to be taken.

2. National Associations are advised to appoint official Referees of neutral nationality to act as Linesmen in International Matches.

3. In International Matches, Linesmen's flags shall be of a vivid colour, bright reds and yellows. Such flags are recommended for use in all other matches.

4. A Linesman may be subject to disciplinary action only upon a report of the Referee for unjustified interference or insufficient assistance.

LAW 7 – DURATION OF THE GAME

The duration of the game shall be two equal periods of 45 minutes, unless otherwise mutually agreed upon, subject to the following: (a) Allowance shall be made in either period for all time lost through substitution, the transport from the field of injured players, time-wasting or other cause, the amount of which shall be a matter for the discretion of the Referee; (b) Time shall be extended to permit a penalty-kick being taken at or after the expiration of the normal period in either half.

At half time the interval shall not exceed five minutes except by consent of the Referee.

Decisions of the International Board

1. If a match has been stopped by the Referee, before the completion of the time specified in the rules, for any reason stated in Law 5 it must be replayed in full unless the rules of the competition concerned provide for the result of the match at the time of such stoppage to stand.
2. Players have a right to an interval at half-time.

LAW 8 – THE START OF PLAY

a) At the beginning of the game, choice of ends and the kick-off shall be decided by the toss of a coin. The team winning the toss shall have the option of choice of ends or the kick-off. The Referee having given a signal, the game shall be started by a player taking a place-kick (i.e. a kick at the ball while it is stationary on the ground in the centre of the field of play) into his opponents' half of the field of play. Every player shall be in his own half of the field and every player of the team opposing that of the kicker shall remain not less than 10 yards from the ball until it is kicked-off; it shall not be deemed in play until it has travelled the distance of its own circumference. The kicker shall not play the ball a second time until it has been touched or played by another player.

b) After a goal is scored, the game shall be restarted in like manner by a player of the team losing the goal.

c) After half-time: when restarting after half-time, ends shall be changed and the kick-off shall be taken by a player of the opposite team to that of the player who started the game.

Punishment: For any infringement of this Law, the kick-off shall be retaken, except in the case of the

kicker playing the ball again before it has been touched or played by another player; for this offence, an indirect free-kick shall be taken by a player of the opposing team from the place where the infringement occurred, unless the offence is committed by a player in his opponents' goal-area, in which case the free-kick shall be taken from a point anywhere within that half of the goal-area in which the offence occurred. A goal shall not be scored direct from a kick-off.

d) After any other temporary suspension: when restarting the game after a temporary suspension of play from any cause not mentioned elsewhere in these Laws, provided that immediately prior to the suspension the ball has not passed over the touch or goal-lines, the Referee shall drop the ball at the place where it was when play was suspended, unless it was within the goal area at that time, in which case it shall be dropped on that part of the goal area line which runs parallel to the goal-line, at the point nearest to where the ball was when play was stopped. It shall be deemed in play when it has touched the ground; if, however, it goes over the touch or goal-lines after it has been dropped by the Referee, but before it is touched by a player, the Referee shall again drop it. A player shall not play the ball until it has touched the ground. If this section of the Law is not complied with the Referee shall again drop the ball.

Decisions of the International Board

1. If, when the Referee drops the ball, a player infringes any of the Laws before the ball has touched the ground, the player concerned shall be cautioned or sent off the field according to the seriousness of the offence, but a free-kick cannot be awarded to the opposing team because the ball was not in play at the time of the offence. The ball shall therefore be again dropped by the Referee.
2. Kicking-off by persons other than the players competing in a match is prohibited.

LAW 9 – BALL IN AND OUT OF PLAY

The ball is out of play.

- a) When it has wholly crossed the goal-line or touch-line, whether on the ground or in the air.
- b) When the game has been stopped by the Referee. The ball is in play at all other times from the start of the match to the finish including:
 - a) If it rebounds from a goal-post, cross-bar or corner-flag post into the field of play.
 - b) If it rebounds off either the Referee or Linesmen when they are in the field of play.
 - c) In the event of a supposed infringement of the Laws, until a decision is given.

Decisions of the International Board

1. The lines belong to the area of which they are the boundaries. In consequence, the touch-lines and the goal-lines belong to the field of play.

LAW 10 – METHOD OF SCORING

Except as otherwise provided by these Laws, a goal is scored when the whole of the ball has passed over the goal-line, between the goal-posts and under the cross-bar, provided it has not been thrown, carried or intentionally propelled by hand or arm, by a player of the attacking side, except in the case of a goalkeeper, who is within his own penalty area.

The team scoring the greater number of goals during a game shall be the winner; if no goals, or an equal number of goals are scored, the game shall be termed a 'draw'.

Decisions of the International Board

1. Law 10 defines the only method according to which a match is won or drawn; no variation whatsoever can be authorised.
2. A goal cannot in any case be allowed if the ball has been prevented by some outside agent from passing over the goal-line. If this happens in the normal course of play, other than at the taking of a penalty-kick, the game must be stopped and restarted where the ball came into contact with the interference.
3. If, when the ball is going into goal, a spectator enters the field before it passes wholly over the goal-line, and tries to prevent a score, a goal shall be allowed if the ball goes into goal unless the spectator has made contact with the ball or has interfered with play, in which case the Referee shall stop the game and restart it by dropping the ball at the place where the contact or interference occurred.

LAW 11 – OFF-SIDE

1. A player is in an off-side position if he is nearer to his opponents' goal-line than the ball *unless*:

- a) He is in his own half of the field of play, or
- b) There are at least two of his opponents nearer their own goal-line than he is.

2. A player shall only be declared off-side and penalised for being in an off-side position, if, at the moment the ball touches, or is played by, one of his team, he is, in the opinion of the Referee

- a) interfering with play or with an opponent, or
- b) seeking to gain an advantage by being in that position.

3. A player shall not be declared off-side by the Referee

- a) merely because of his being in an off-side position, or
- b) if he receives the ball, direct, from a goal-kick, a corner-kick, a throw-in, or when it has been dropped by the Referee.

4. If a player is declared off-side, the Referee shall award an indirect free-kick, which shall be taken by a player of the opposing team from the place where the infringement occurred, unless the offence is committed

by a player in his opponents' goal-area, in which case, the free-kick shall be taken from a point anywhere within that half of the goal-area in which the offence occurred.

Decisions of the International Board

1. Off-side shall not be judged at the moment the player in question receives the ball, but at the moment when the ball is passed to him by one of his own side. A player who is not in an off-side position when one of his colleagues passes the ball to him or takes a free-kick, does not therefore become off-side if he goes forward during the flight of the ball.

LAW 12 – FOULS AND MISCONDUCT

A player who intentionally commits any of the following nine offences:

- a) Kicks or attempts to kick an opponent;
- b) Trips an opponent, i.e. throwing or attempting to throw him by the use of the legs or by stooping in front of or behind him;
- c) Jumps at an opponent;
- d) Charges an opponent in a violent or dangerous manner;
- e) Charges an opponent from behind unless the latter be obstructing;
- f) Strikes or attempts to strike an opponent;
- g) Holds an opponent;
- h) Pushes an opponent;
- i) Handles the ball, i.e. carries, strikes or propels the ball with his hand or arm. (This does not apply to the goalkeeper within his own penalty-area);

shall be penalised by the award of a direct free-kick to be taken by the opposing side from the place where the offence occurred, unless the offence is committed by a player in his opponents' goal-area in which case, the free-kick shall be taken from a point anywhere within that half of the goal-area in which the offence occurred.

Should a player of the defending side intentionally commit one of the above nine offences within the penalty-area he shall be penalised by a *penalty-kick*.

A penalty-kick can be awarded irrespective of the position of the ball, if in play, at the time an offence within the penalty-area is committed.

A player committing any of the five following offences:

1. Playing in a manner considered by the Referee to be dangerous, e.g. attempting to kick the ball while held by the goalkeeper.
2. Charging fairly, i.e. with the shoulder, when the ball is not within playing distance of the players concerned and they are definitely not trying to play it;
3. When not playing the ball, intentionally obstructing an opponent, i.e. running between the opponent and the ball, or interposing the body so as to form an obstacle to an opponent;

4. Charging the goalkeeper except when he

- a) is holding the ball;
- b) is obstructing an opponent;
- c) has passed outside the goal-area;

5. When playing as goalkeeper and within his own penalty area.

- a) from the moment he takes control of the ball with his hands, he takes more than four steps in any direction whilst holding, bouncing or throwing the ball in the air and catching it again, without releasing it into play, or, having released the ball into play before, during or after the four steps, he touches it again with his hands, before it has been touched or played by another player of the same team outside of the penalty area or by a player of the opposing team either inside or outside of the penalty area, or
- b) indulges in tactics which, in the opinion of the Referee, are designed merely to hold up the game and thus waste time and so give an unfair advantage to his own team;

shall be penalised by the award of an *indirect free-kick* to be taken by the opposing side from the place where the infringement occurred, unless the offence is committed by a player in his opponents' goal-area, in which case the free-kick shall be taken from a point anywhere within that half of the goal-area in which the offence occurred.

A player shall be cautioned if:

- j) he enters or re-enters the field of play to join or rejoin his team after the game has commenced, or leaves the field of play during the progress of the game (except through accident) without, in either case, first having received a signal from the Referee showing him that he may do so. If the Referee stops the game to administer the caution the game shall be restarted by an indirect free-kick taken by a player of the opposing team from the place where the ball was when the Referee stopped the game. If the free-kick is awarded to a side within its own goal-area it may be taken from any point within the half of the goal-area in which the ball was when play was stopped. If, however, the offending player has committed a more serious offence he shall be penalised according to that section of the law he infringed.
- k) he persistently infringes the Laws of the Game;
- l) he shows by word or action, dissent from any decision given by the Referee;
- m) he is guilty of ungentlemanly conduct.

For any of these last three offences, in addition to the caution, an *indirect free-kick* shall also be awarded to the opposing side from the place where the offence occurred unless a more serious infringement of the Laws of the Game was committed. If the offence is committed by a player in his opponents' goal-area, a free-kick shall be taken from a point anywhere, within that half of the goal-area in which the offence occurred.

A player shall be *sent off* the field of play, if:

- n) in the opinion of the Referee he is guilty of violent

conduct or serious foul play;

- o) he uses foul or abusive language;
- p) he persists in misconduct after having received a caution.

If play be stopped by reason of a player being ordered from the field for an offence without a separate breach of the Law having been committed, the game shall be resumed by an *indirect free-kick* awarded to the opposing side from the place where the infringement occurred, unless the offence is committed by a player in his opponents' goal-area, in which case, the free-kick shall be taken from a point anywhere within that half of the goal-area in which the offence occurred.

Decisions of the International Board

1. If the goalkeeper either intentionally strikes an opponent by throwing the ball vigorously at him or pushes him with the ball while holding it, the Referee shall award a penalty-kick, if the offence took place within the penalty-area.
2. If a player deliberately turns his back to an opponent when he is about to be tackled, he may be charged but not in a dangerous manner.
3. In case of body-contact in the goal-area between an attacking player and the opposing goalkeeper not in possession of the ball, the Referee, as sole judge of intention, shall stop the game if, in his opinion, the action of the attacking player was intentional, and award an indirect free-kick.
4. If a player leans on the shoulders of another player of his own team in order to head the ball, the Referee shall stop the game, caution the player for ungentlemanly conduct and award an indirect free-kick to the opposing side.
5. A player's obligation when joining or rejoining his team after the start of the match to 'report to the Referee' must be interpreted as meaning 'to draw the attention of the Referee from the touch-line'. The signal from the Referee shall be made by a definite gesture which makes the player understand that he may come into the field of play; it is not necessary for the Referee to wait until the game is stopped (this does not apply in respect of an infringement of Law 4), but the Referee is the sole judge of the moment in which he gives his signal of acknowledgement.
6. The letter and spirit of Law 12 do not oblige the Referee to stop a game to administer a caution. He may, if he chooses, apply the advantage. If he does apply the advantage, he shall caution the player when play stops.
7. If a player covers up the ball without touching it in an endeavour not to have it played by an opponent, he obstructs but does not infringe Law 12 paragraph 3 because he is already in possession of the ball and covers it for tactical reasons whilst the ball remains within playing distance. In fact, he is actually playing the ball and does not commit an infringement; in this case, the

player may be charged because he is in fact playing the ball.

8. If a player intentionally stretches his arms to obstruct an opponent and steps from one side to the other moving his arms up and down to delay his opponent, forcing him to change course, but does not make 'bodily contact' the Referee shall caution the player for ungentlemanly conduct and award an indirect free-kick.

9. If a player intentionally obstructs the opposing goalkeeper, in an attempt to prevent him from putting the ball into play in accordance with Law 12, 5(a), the Referee shall award an indirect free-kick.

10. If after a Referee has awarded a free-kick a player protests violently by using abusive or foul language and is sent off the field, the free-kick should not be taken until the player has left the field.

11. Any player, whether he is within or outside the field of play, whose conduct is ungentlemanly or violent, whether or not it is directed towards an opponent, a colleague, the Referee, a Linesman or other person, or who uses foul or abusive language, is guilty of an offence, and shall be dealt with according to the nature of the offence committed.

12. If, in the opinion of the Referee a goalkeeper intentionally lies on the ball longer than is necessary, he shall be penalised for ungentlemanly conduct and

a) be cautioned and an indirect free-kick awarded to the opposing team;

b) in case of repetition of the offence, be sent off the field.

13. The offence of spitting at opponents, officials or other persons, or similarly unseemly behaviour shall be considered as violent conduct within the meaning of section (n) of Law 12.

14. If, when a Referee is about to caution a player, and before he has done so, the player commits another offence which merits a caution, the player shall be sent off the field of play.

LAW 13 – FREE-KICK

Free-kicks shall be classified under two headings: 'Direct' (from which a goal can be scored direct against the offending side), and 'Indirect' (from which a goal cannot be scored unless the ball has been played or touched by a player other than the kicker before passing through the goal).

When a player is taking a direct or an indirect free-kick inside his own penalty-area, all of the opposing players shall be at least 10 yards from the ball and shall remain outside the penalty area until the ball has been kicked out of the area. The ball shall be in play immediately it has travelled the distance of its own circumference and is beyond the penalty-area. The goalkeeper shall not receive the ball into his hands, in order that he may thereafter kick it into play. If the ball is not kicked direct into play, beyond the penalty-area, the kick shall be retaken.

When a player is taking a direct or an indirect free-kick outside his own penalty-area, all of the opposing players shall be at least ten yards from the ball, until it is in play, unless they are standing on their own goal-line, between the goal-posts. The ball shall be in play when it has travelled the distance of its own circumference.

If a player of the opposing side encroaches into the penalty-area, or within ten yards of the ball, as the case may be, before a free-kick is taken, the Referee shall delay the taking of the kick, until the Law is complied with.

The ball must be stationary when a free-kick is taken, and the kicker shall not play the ball a second time, until it has been touched or played by another player.

Notwithstanding any other reference in these Laws to the point from which a free-kick is to be taken:

1. Any free kick awarded to the defending team, within its own goal area, may be taken from any point within that half of the goal area in which the free kick has been awarded.

2. Any indirect free kick awarded to the attacking team within its opponents' goal area shall be taken from that part of the goal area line which runs parallel to the goal-line, at the point nearest to where the offence was committed.

Punishment: If the kicker, after taking the free-kick, plays the ball a second time before it has been touched or played by another player an indirect free-kick shall be taken by a player of the opposing team from the spot where the infringement occurred, unless the offence is committed by a player in his opponents' goal area, in which case the free kick shall be taken from a point anywhere within that half of the goal area in which the offence occurred.

Decisions of the International Board

1. In order to distinguish between a direct and indirect free-kick, the Referee, when he awards an indirect free-kick, shall indicate accordingly by raising an arm above his head. He shall keep his arm in that position until the kick has been taken and retain the signal until the ball has been played or touched by another player or goes out of play.

2. Players who do not retire to the proper distance when a free-kick is taken must be cautioned and on any repetition be ordered off. It is particularly requested of Referees that attempts to delay the taking of a free-kick by encroaching should be treated as serious misconduct.

3. If, when a free-kick is being taken, any of the players dance about or gesticulate in a way calculated to distract their opponents, it shall be deemed ungentlemanly conduct for which the offender(s) shall be cautioned.

LAW 14 – PENALTY-KICK

A penalty-kick shall be taken from the penalty-mark and, when it is being taken, all players with the exception of the player taking the kick, properly identified,

LAWS OF THE GAME

and the opposing goalkeeper, shall be within the field of play but outside the penalty-area, and at least 10 yards from the penalty-mark. The opposing goalkeeper must stand (without moving his feet) on his own goal-line, between the goal-posts, until the ball is kicked. The player taking the kick must kick the ball forward; he shall not play the ball a second time until it has been touched or played by another player. The ball shall be deemed in play directly it is kicked, i.e., when it has travelled the distance of its circumference. A goal may be scored directly from a penalty-kick. When a penalty-kick is being taken during the normal course of play, or when time has been extended at half-time or full-time to allow a penalty-kick to be taken or re-taken, a goal shall not be nullified if, before passing between the posts and under the cross-bar, the ball touches either or both of the goal-posts or the cross-bar, or the goalkeeper, or any combination of these agencies, providing that no other infringement has occurred.

Punishment: For any infringement of this Law:

- a) by the defending team, the kick shall be retaken if a goal has not resulted.
- b) by the attacking team other than by the player taking the kick, if a goal is scored it shall be disallowed and the kick retaken.
- c) by the player taking the penalty-kick, committed after the ball is in play, a player of the opposing team shall take an indirect free-kick from the spot where the infringement occurred. If, in the case of paragraph (c), the offence is committed by the player in his opponents' goal-area, the free-kick shall be taken from a point anywhere within that half of the goal-area in which the offence occurred.

Decisions of the International Board

1. When the Referee has awarded a penalty-kick, he shall not signal for it to be taken, until the players have taken up position in accordance with the Law.
2. a) If, after the kick has been taken, the ball is stopped in its course towards goal, by an outside agent, the kick shall be retaken.
b) If, after the kick has been taken, the ball rebounds into play, from the goalkeeper, the cross-bar or a goal-post, and is then stopped in its course by an outside agent, the Referee shall stop play and restart it by dropping the ball at the place where it came into contact with the outside agent.
3. a) If, after having given the signal for a penalty-kick to be taken, the Referee sees that the goalkeeper is not in his right place on the goal-line, he shall, nevertheless, allow the kick to proceed. It shall be retaken if a goal is not scored.
b) If, after the Referee has given the signal for a penalty-kick to be taken, and before the ball has been kicked, the goalkeeper moves his feet, the Referee shall, nevertheless, allow the kick to proceed. It shall be retaken, if a goal is not scored.
c) If, after the Referee has given the signal for a

penalty-kick to be taken, and before the ball is in play, a player of the defending team encroaches into the penalty-area, or within ten yards of the penalty-mark, the Referee shall, nevertheless, allow the kick to proceed. It shall be retaken if a goal is not scored.

The player concerned shall be cautioned.

4. a) If, when a penalty-kick is being taken, the player taking the kick is guilty of ungentlemanly conduct, the kick, if already taken, shall be retaken, if a goal is scored.

The player concerned shall be cautioned.

- b) If, after the Referee has given the signal for a penalty-kick to be taken, and before the ball is in play, a colleague of the player taking the kick encroaches into the penalty-area or within ten yards of the penalty-mark, the Referee shall, nevertheless, allow the kick to proceed. If a goal is scored, it shall be disallowed, and the kick retaken.

The player concerned shall be cautioned.

- c) If, in the circumstances described in the foregoing paragraph, the ball rebounds into play from the goalkeeper, the crossbar or a goal-post and a goal has not been scored, the Referee shall stop the game, caution the player and award an indirect free-kick to the opposing team from the place where the infringement occurred, subject to the over-riding conditions imposed in Law 13.

5. a) If, after the Referee has given the signal for a penalty-kick to be taken, and before the ball is in play, the goalkeeper moves from his position on the goal-line, or moves his feet, and a colleague of the kicker encroaches into the penalty-area or within 10 yards of the penalty mark, the kick, if taken, shall be retaken.

The colleague of the kicker shall be cautioned.

- b) If, after the Referee has given the signal for a penalty-kick to be taken, and before the ball is in play, a player of each team encroaches into the penalty area, or within 10 yards of the penalty-mark, the kick, if taken, shall be retaken.

The players concerned shall be cautioned.

6. When a match is extended, at half-time or full-time, to allow a penalty-kick to be taken or retaken, the extension shall last until the moment that the penalty-kick has been completed, i.e. until the referee has decided whether or not a goal is scored, and the game shall terminate immediately the Referee has made his decision. After the player taking the penalty-kick has put the ball into play, no player other than the defending goalkeeper may play or touch the ball before the kick is completed.

A goal is scored when the ball passes wholly over the goal-line.

- a) direct from the penalty-kick.
- b) having rebounded from either goal-post or the cross-bar, or
- c) having touched or been played by the goalkeeper.

The game shall terminate immediately the Referee has made his decision.

7. When a penalty-kick is being taken in extended time:
- the provisions of all of the foregoing paragraphs, except paragraphs (2)(b) and (4)(c) shall apply in the usual way, and
 - in the circumstances described in paragraphs (2)(b) and (4)(c) the game shall terminate immediately the ball rebounds from the goalkeeper, the cross-bar or the goal-post.

LAW 15 – THROW-IN

When the whole of the ball passes over a touchline, either on the ground or in the air, it shall be thrown in from the point where it crossed the line, in any direction, by a player of the team opposite to that of the player who last touched it. The thrower at the moment of delivering the ball must face the field of play and part of each foot shall be either on the touch-line or on the ground outside the touch-line. The thrower shall use both hands and shall deliver the ball from behind and over his head. The ball shall be in play immediately it enters the field of play, but the thrower shall not again play the ball until it has been touched or played by another player. A goal shall not be scored direct from a throw-in.

Punishment:

- If the ball is improperly thrown in, the throw-in shall be taken by a player of the opposing team.
- If the thrower plays the ball a second time before it has been touched or played by another player, an indirect free-kick shall be taken by a player of the opposing team from the place where the infringement occurred, unless the offence is committed by a player in his opponents' goal-area, in which case, the free-kick shall be taken from a point anywhere within that half of the goal-area in which the offence occurred.

Decisions of the International Board

- If a player taking a throw-in, plays the ball a second time by handling it within the field of play before it has been touched or played by another player, the Referee shall award a direct free-kick.
- A player taking a throw-in must face the field of play with some part of his body.
- If, when a throw-in is being taken, any of the opposing players dance about or gesticulate in a way calculated to distract or impede the thrower, it shall be deemed ungentlemanly conduct for which the offender(s) shall be cautioned.
- A throw-in taken from any position other than the point where the ball passed over the touch-line shall be considered to have been improperly thrown.

LAW 16 – GOAL-KICK

When the whole of the ball passes over the goal-line excluding that portion between the goal-posts, either in the air or on the ground, having last been played by one

of the attacking team, it shall be kicked direct into play beyond the penalty-area from a point within that half of the goal-area nearest to where it crossed the line, by a player of the defending team. A goalkeeper shall not receive the ball into his hands from a goal-kick in order that he may thereafter kick it into play. If the ball is not kicked beyond the penalty-area, i.e. direct into play, the kick shall be retaken. The kicker shall not play the ball a second time until it has touched—or been played by—another player. A goal shall not be scored direct from such a kick. Players of the team opposing that of the player taking the goal-kick shall remain outside the penalty-area whilst the kick is being taken.

Punishment: If a player taking a goal-kick plays the ball a second time after it has passed beyond the penalty-area, but before it has touched or been played by another player, an indirect free-kick shall be awarded to the opposing team, to be taken from the place where the infringement occurred, unless the offence is committed by a player in his opponents' goal-area, in which case, the free-kick shall be taken from a point anywhere within that half of the goal-area in which the offence occurred.

Decisions of the International Board

- When a goal-kick has been taken and the player who has kicked the ball touches it again before it has left the penalty-area, the kick has not been taken in accordance with the Laws and must be retaken.

LAW 17 – CORNER-KICK

When the whole of the ball passes over the goal-line, excluding that portion between the goal-posts, either in the air or on the ground, having last been played by one of the defending team, a member of the attacking team shall take a corner-kick, i.e. the whole of the ball shall be placed within the quarter circle at the nearest corner-flag post, which must not be moved, and it shall be kicked from that position. A goal may be scored direct from such a kick. Players of the team opposing that of the player taking the corner-kick shall not approach within 10 yards of the ball until it is in play, i.e. it has travelled the distance of its own circumference, nor shall the kicker play the ball a second time until it has been touched or played by another player.

Punishment:

- If the player who takes the kick plays the ball a second time before it has been touched or played by another player, the Referee shall award an indirect free-kick to the opposing team, to be taken from the place where the infringement occurred, unless the offence is committed by a player in his opponents' goal-area, in which case the free-kick shall be taken from a point anywhere within that half of the goal-area in which the offence occurred.
- For any other infringement the kick shall be retaken.

PANINI'S FOOTBALL YEARBOOK

The name Panini is well-known to millions of supporters as the publisher of Britain's biggest-selling soccer publication — their annual British football sticker collection — and as sponsors of Family Enclosures at top football clubs throughout Britain. Now their unrivalled expertise has been applied to bring you the first edition of Panini's Football Yearbook.

Coverage of British soccer includes a detailed directory of every League club in England and Scotland, full coverage of the 1987-88 League season in both countries and the most comprehensive player directory available anywhere, featuring every contract professional registered with the Football League and the Scottish League Premier Division in the summer of 1988.

The FA Cup and Littlewoods Challenge Cup are covered in full, including team line-ups, scorers, attendances and venues for every final ever played, and the same goes for the Scottish Cup and the Skol Cup.

Complete details of every match in the 1988 European Championship, including the qualifying tournament, are published together with the draw and fixture list for the 1990 World Cup qualifying competition, and the three main European club tournaments of 1987-88 are also incorporated, together with team line-ups for all previous finals.

Add to this all the important records since the birth of the modern game over 100 years ago, including a complete list of international appearances for all four home countries and the Republic of Ireland since 1872, the result of every international match ever played by those teams, coverage of South American, Olympic and non-League football, the Laws of the Game, a diary of the 1987-88 season and all the Football League and Scottish League fixtures for 1988-89, and you have what is undoubtedly the game's most comprehensive reference book.
